

Danny Chambers

AGM 2026

In Parliament

206 Speeches

139 Written questions

PMQs on protecting A&E and maternity services and repairing our hospital.

Nominated for the Nature 2030 Political Purpose Award for the second year in a row.

Elected Chair of the cross-party group tackling drug resistant infections.

In Winchester

38 residents' meeting

230 constituency visits

22k pieces of casework

Danny expanded his Summer Tour in 2026 to every ward in the constituency and hosted booths at summer shows. He also hosted a showing of the People's Emergency Briefing.

Campaigns & Advocacy

Protecting local services

Campaigned for hospital repairs, keeping A&E and maternity units, and saving GPs, pharmacies and fire stations.

Taking on Southern Water

Pushed the government for tougher action on sewage dumping and regulating failing water companies.

Cost of Living and the economy

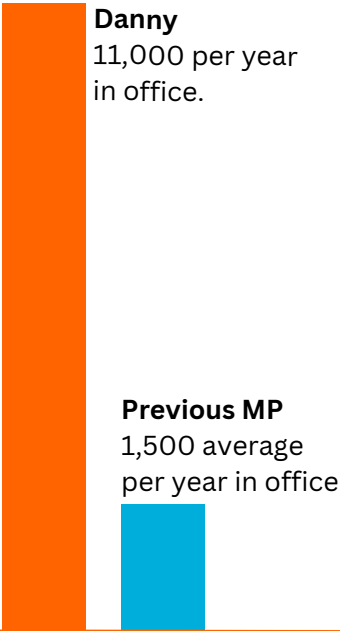

Backed tax relief for small businesses and closer trade with Europe, and opposed Trump's illegal war driving up prices.

Protecting local services

Fighting for village bus routes, reliable broadband and mobile signal, and the farming community.

Record setting caseworking

Casework highlights

- Got pension and care home costs restored by DWP.
- Helped parents with SEND children access education and school transport.
- Got driving licences returned after 12-month delays.
- Recovered thousands of pounds from British Gas.
- Helped people at risk of losing their jobs due to long Visa or DBS delays.
